Research Biomedical Informatics Certificate Requirements

Each student will develop a degree plan with the written approval of their academic advisor. The student must file a signed degree plan each academic year in the Fall and Spring terms listing the required and/or elective courses as specified for their certificate program. **OLLU students with a major Chemistry BA/BS will be able to apply 9 of the required 15 credit hours to their OLLU Chemistry BA/BS degree.** To view more information about how credits from SBMI are transferred and applied to your program, please view the [Academic Catalog](#).

Using This Certificate Planner
