UTHealth Houston
McWilliams School of Biomedical Informatics

Name: _____ Student ID: _____ SBMI Advisor name:_____

Applied Biomedical Informatics Certificate Requirements

Each student will develop a degree plan with the written approval of their academic advisor. The student must file a signed degree plan each academic year in the Fall and Spring terms listing the required and/or elective courses as specified for their certificate program. **Tuskegee students with a major in Nursing BS will be able to apply 9 of the required 15 credit hours to their Tuskegee Nursing BS degree.** To view more information about how credits from SBMI are transferred and applied to your program, please view the Academic Catalog.

Using This Certificate Planner
