Business Informatics for Healthcare Certificate Requirements

Each student will develop a degree plan with written approval of their academic advisor. The student must file a signed degree plan each academic year in the Fall and Spring terms listing the required and elective courses as specified for their certificate program. **UTEP MBA students who complete the Joint Certificate in Business Informatics for Healthcare, will be able to apply 9 of the required 15 credit hours to their UTEP master's degree upon approval by their advisor.**

Using This Certificate Planner
