**Certificate of Public Health Informatics Requirements**

Each student will develop a degree plan with written approval of their academic advisor. The student must file a signed degree plan each academic year in the Fall and Spring terms listing the required and elective courses as specified for their certificate program. **UTEP Public Health students who complete the Joint Certificate in Public Health Informatics, will be able to apply 9 of the required 15 credit hours to their UTEP master’s degree upon approval by their advisor.**

**Using This Certificate Planner**

UTHSC-H SBMI Required Courses:
