TAMIU 4+1 Pre-Nursing Academic Agreement

As a pre-nursing student pursuing a Bachelor of Science in Nursing (BSN) at Texas A&M International University, I acknowledge, if admitted into the UTHealth Houston McWilliams School of Biomedical Informatics Undergraduate Accelerated Masters (4+1) Program Certificate of Biomedical Informatics, I will be eligible to take the courses outlined in the planner below.

If I am admitted to the Dr. F. M. Canseco School of Nursing, I acknowledge, I will be unable to apply the 9 credits hours to my TAMIU BSN degree plan. Upon completion of my BSN, I can return to the School of Biomedical Informatics to complete the remaining coursework and be awarded a Certificate of Biomedical Informatics within a specified timeline.

If I am no longer pursuing the BSN, I will be eligible to speak with a TAMIU Academic Advisor and SBMI program manager to discuss options available to me. As a participant in this agreement, I understand I cannot exceed completion of the below 9 credits hours.

Using This Certificate Planner

UTHSC-H SBMI Required Courses:

COURSE NUMBER	COURSE TITLE	TYPE	CREDIT HOURS	Pre-Requisite	Expected Term Completed	Grade Earned
