## **Applied Informatics Certificate Requirements**

Each student will develop a degree plan with written approval of their academic advisor. The student must file a signed degree plan each academic year in the Fall and Spring terms listing the required and/or elective courses as specified for their certificate program. UTRGV students with a major of Applied Technology in Health Services Technology will be able to apply 9 of the required 15 credits hours to their UTRGV Applied Technology in Health Services Technology degree. To view more information about how credits from SBMI are transferred and applied to your program, please view the Undergraduate Accelerated Master's (4+1) Program Course Equivalency FAQ.
