UTHealth Houston — McWilliams School of Biomedical Informatics

Name: _____ Student ID: _____ Advisor name: _____

Public Health Informatics Certificate Requirements

Each student will develop a degree plan with written approval of their academic advisor. The student must file a signed degree plan each academic year in the Fall and Spring terms listing the required and elective courses as specified for their certificate program. This plan is a set of predefined coursework, totaling 16 credit hours.
UTRGV students with a major of Environmental Sciences will be able to apply 9 of the required 16 credits hours to their UTRGV Environmental Science degree.
To view more information about how credits from SBMI are transferred and applied to your program, please view the Undergraduate Accelerated Master's (4+1) Program Course Equivalency FAQ.

Using This Certificate Planner
