

6 full time semesters or 48th semester credit hours

Proposal after about a semester

- ✓ Current CV
- ✓ Research project abstract
- ✓ Most currently submitted Individualized Development Plan
- ✓ Preliminary dissertation proposal (1-2 pages), demonstrating knowledge and work of the student and others, synthesized to present a rationale for the proposed dissertation topic (e.g., theory to be developed, hypotheses to be tested) as well as proposed methodology to fulfill the dissertation objective.
- ✓ List of references (30-50 articles) and syllabi for relevant classes for three domain areas related to their proposed research.

* Students should discuss these areas with their advisor in the process of planning their graduate program and prior to preparation of their qualifying exam materials.
