Title of journal: _____

Publication date: _____

(Attach additional pages as needed)

If my translational project report includes published or pre-published articles, I understand that the full-text of my translational project report will not be made available online until publishers' copyright policies have been checked by the Texas Medical Center Library.

I certify that, if appropriate, I have obtained and attached hereto written permission from the owners of any copyrighted matter included in my translational project report, allowing distribution as specified above.

I warrant that the translational project report and abstract are my original work and that I grant publication permission as the sole owner of the rights to my translational project report and abstract. I certify that any electronic version I submit is the same as the final copy approved by my Advisory Committee.

I hereby grant The University of Texas Health Science Center - School of Biomedical Informatics at Houston the non- exclusive license to archive and make accessible my translational project report in whole or in part in all forms of media, now or hereafter known. I retain all other ownership rights to the copyright of the translational project report. I also retain the right to use all or portions of the translational project report in future works (such as articles or books).
