

**SBMI Undergraduate Accelerated Master's (4+1) program**  
**Certificate in Biomedical Informatics**  
**Suggested Integrated Schedule - Fall Start**

The following is the suggested integrated schedule for students pursuing the program between Texas A&M International University (TAMIU), Our Lady of the Lake University (OLLU), or the University of Texas Rio Grande Valley (UTRGV). While this guide is provided as an academic planning tool, students are expected to discuss academic planning with their advising team. Please contact your undergraduate campus advisor or the SBMI 4+1 program coordinator if you need more information on enrollment requirements and degree conferral.

Students may access the [Two Year Course Rotation](#) and their [certificate degree planner](#) to prepare and plan for SBMI enrollment.
